Camelot Therapeutic Horsemanship's mission is to improve the quality of life for children and adults with physical disabilities through programs of horsemanship and outdoor education. Camelot has been a debt-free organization since its inception in 1983.

Camelot's eighth annual Starry Knights Fundraising Event will, once again, shine the spotlight squarely on its extraordinary students, and guests will include prominent members of the Scottsdale community.

Camelot will use funds raised through Starry Knights to continue to offer their horsemanship program, free of charge, to children and adults with disabilities.

Starry Knights sponsorships are available at the \$10,000, \$5000, \$2500 and \$500 levels.

We look forward to having you join us at the Camelot Round Table!
